- Bachelor of Communications (Media) - RMIT University
- Mentorship with Michelle Grace Hunder through The Push Mentorship Program
 - Adobe After Effects Course through City Desktop Training
- Trained in group facilitation through Ballarat Council's Youth Program

WORK HISTORY

SET PHOTOGRAPHER AND VIDEOGRAPHER

Welcome The Machines | 2016-Present

On-set videographer and photographer for director Josh Harris, having worked with clients such as Peach PRC, Mia Rodriguez, Gretta Ray, Birds of Tokyo, Safia, Missy Higgins, Dustin Tebbutt, Kira Puru and more.

FREELANCE FILMMAKER AND PHOTOGRAPHER

Self-employed | 2016-Present

Freelancer in all things media, including film, photography, motion graphics, social media and podcast production. I specialise in video production and editing, including music videos, promos and more. Notable clients include Just a Leo, Peter Mac Institute, RMIT University, Aunty Donna and Hobsons Bay Council.

PRODUCER AND STUDENT MENTOR

RMIT X Peter Mac Cancer Centre | 2020-Present

Producer of eight patient experience videos for the Peter Mac Cancer Centre, and mentor to the entirely-student crew. A collaborative project between RMIT University and Peter Mac.

YOUTH WORKSHOP FACILITATOR + FILMMAKER

Ballarat Council | 2019-Present

Facilitated workshops for Ballarat youth to upskill them in areas such as filmmaking and podcast production, and help young people in regional areas to develop creative skills and find their voice. Workshops are held on an ad hoc basis.

Producer of youth led content such as music videos for The Push: Sonika records, Push it Labs, and more.

DIGITAL MEDIA CONTENT COORDINATOR

RMIT University | 2018-2019

Managed the creation of content and roll-out of key messages across social media platforms and for RMIT stakeholders. Key responsibilities included the creation of video, photography, podcasts, motion graphics and copy for social media.

VIDEOGRAPHER AND EDITOR

Digital Media Creations | 2017

Videographer and editor with additional roles in graphic design and photography.
